

## Social Work in China: A Snapshot of Critical Issues and Emerging Ideas

Edited by  
A. Ka Tat Tsang  
Miu Chung Yan  
Wes Shera

This book is the first of its kind. It brings together the experiences and views of Chinese and international colleagues involved in the development of social work in China. About half of the chapters were contributed by social work scholars of the People's Republic of China. It is the only book published in English that offers such a range and diversity.
